Dear Sponsor,

We are excited to expand our 6th Annual CADS Golf Scramble on September 29, 2024, at Swan Lake Golf Club at the request of our avid golfers. We are seeking sponsorship for this event with multiple levels to promote your business or organization. CADS invites you to participate and promote your organization while making a difference. The opportunities are outlined on the following page.

As you may be aware, the Clarksville Association Down syndrome (CADS) has been providing support to local families since 2009. The primary source of funding for CADS is from corporate sponsors, grants, and donations. CADS is a 501c3 non-profit organization. Below is just a short list of the many opportunities we have been able to provide due to your generosity:

- Meetings/Gatherings: Monthly support meetings for parents, pool parties, Mom's spa day, Mom's night out, Christmas party, and an annual Funfest for families to build comradery and friendships.
- Totes for Teaching: New, expecting, and newly relocated parents receive a tote packed with necessary information and available support services regarding Down syndrome.
- Technology for Teachers: We have been putting technology in special education classrooms for several years! CADS has awarded over 167 iPads to Special Education teachers through this grant to support positive educational outcomes for all children with disabilities.
- FREE Community Programs: CADS is now offering FREE programs to the entire special needs community. Our programs offer a wide range of fun-filled activities. All programs are FREE and take place at various community locations.
- CADS is also focusing its energy on the Community CARES Clubhouse, a clubhouse for individuals with disabilities to come and feel typical. Once the Clubhouse is open, we will offer our programs at the Clubhouse. All programs offered will be FREE! We're dreaming BIG, and we need the support of the community to make these dreams a reality!

Your sponsorship will help assure the success of the event, proceed with the above programs, and enable us to continue to provide awareness to a great cause. Please do not hesitate to contact me with any questions or concerns. Please see the attached flyer for the specifics on the tournament.

Thank you in advance for your time and consideration of this request.

Sincerely,
Brad Wise

Special Education teachers apply for a grant from our organization and must describe how they will utilize the device in the classroom and how this will impact the students they teach. Making Memories Program - CADS partners with Camp for Courageous Kids in Scottsville Ky. Families with a Down syndrome member sometimes face financial and other hardships. CADS provides an all-inclusive retreat experience for at least 15 families, so they can make lasting memories and revitalize their family spirit.
