CADS D.A.D.S. (Dads & Down Syndrome)

Totes for Teaching: A program implemented to give new parents and transient families in the area a tote and teddy bear. The tote offers resources within our community that families can utilize to meet the needs of their special needs family member.

Technology for Teachers: A program that has been implemented to get touch tone technology into the special education classroom. Special Education teachers apply for a grant from our organization and have to describe how they will utilize the device in the classroom and how this will impact the students they teach. Once a recipient they then have to file a 6 month report to the organization on their utilization of the device. 167 IPADS have been distributed since inception of the program.

Making Memories Program - CADS partners with Camp for Courageous Kids in Scottsville Ky. Families with a Down syndrome member sometimes face financial and other hardships. CADS provides an all-inclusive retreat experience for at least 15 families, so they can make lasting memories and revitalize their family spirit.

FREE Community Programs – CADS is now offering FREE monthly programs to our special needs community. We offer a wide range of fun filled topics. Our programming is offered FREE and takes place in a partnership with local businesses.

Community CARES Clubhouse: CADS is now focusing its energy on the Community CARES Clubhouse. A Clubhouse for individuals with disabilities to come and feel typical. The Clubhouse will offer Art, Music, Reading programs, playroom, and much more. All programs offered will be FREE.
